

## 2006 Chapter Newsletter Winner

### *Sutter Buttes SCI*

*Wow ! First year and we did it. The "Sutter Buttes Echo" was selected as the 2006 year Newsletter publication award winner for Category One—Newsletter. This category is for chapters with under 100 members. A newsletter can and in most cases is the single most important tool in building a successful chapter. It is our lifeline to our membership. Allowing us to communicate all of our chapter news, monthly meeting event schedules and much more. It may be used as a recruiting tool, and is a great vehicle to use in working with our local area residents in teaching our mission. Each year the Publications department compiles all of the newsletters submitted from around the country and selects what they feel are the best of the best in each category. These winning chapters are then invited to the National convention and presented with a beautiful award that the chapter may display at their annual fundraiser. I am proud to have been given the honor this year as your President to receive your award. A special thanks goes out to all of our members for submitting the needed stories, and photos that helped make our newsletter a winner. And a special thank You to Mr. Joe Becker, for the award winning job as our editor. For those of you that have ever tried to put together a newsletter, you will appreciate the hard work that Joe put fourth to get our letter out each month. Thanks' Joe*
